

Free Seminar for Community Groups

Have you engaged with the Diaspora website www.mayo.ie? Are you promoting your area, your organisation, business, community activities and events?

This is a unique opportunity to link with loved ones overseas and to promote our beautiful county, our events and community activities both here and abroad. Many areas have put up their details on the website and the Community Forum is encouraging others to take up the opportunity too.

Your group is invited to send 1-2 representatives to a free seminar on how to promote your group and your events. Topics will include:

- Building a quick and easy website for under €50
- Promoting your group/event online with Mayo.ie, Facebook and more
- Writing local media press releases and ads
- Tips for promoting your event nationally
